The Barrel Room is a large private event space (60' x 27') with its own private bar area, private entrance and various options for customizing your event. The room is available for groups of up to 100 guests seated and 150 guests cocktail style. The Old Bust Head team is enthusiastic about successfully planning and hosting your event.

Old Bust Head Brewing Company is an independent, solar-powered microbrewery in Fauquier County, Virginia, part of a unique farm called 'Vint Hill' that for 50 years operated as a top secret military listening post. We believe life should be both rich and sustainable. We love the creativity of craft beer, the good feeling of authentic places and stories, the inspiration of original and diverse experiences, and the fulfillment of meaningful connections to friends and community.
